

What is the Cost of Attendance?

Cost of Attendance (COA) is the total estimate of what it costs to attend the school for one Academic Year. It includes **Direct Costs** (Tuition and Fees – what you pay directly to the school) and **Indirect Costs** (housing, food, transportation, misc. personal expenses, books, materials, equipment, supplies, loan fees, and personal therapy).

The figures below represent the total **estimated** Cost of Attendance for the program, based on your chosen program planner. Tuition, fees, and indirect cost allowances are subject to change each year and are evaluated on an annual basis using national and local average living costs.

The purpose of the Cost of Attendance is to establish a limit on how much aid a student can receive for an academic year.

*The maximum quarterly indirect cost allowance for a full-time quarter (8 or more units) is **\$8,230**:*

Living Expenses (Housing & Food)	5500
Transportation	1250
Books	400
Misc. Personal Expenses	750
Loan Fees	55
Personal Therapy	275
Total	8230

*The maximum quarterly indirect cost allowance for a part-time quarter (4-7 units) is **\$7,455**:*

Living Expenses (Housing & Food)	5500
Transportation	625
Books	250
Misc. Personal Expenses	750
Loan Fees	55
Personal Therapy	275
Total	7455

This means if you are enrolled in 8 or more units during a quarter, you can borrow up to \$8,230 for living expenses for that quarter. If you are enrolled in less than 8 units during a quarter, you can borrow up to \$7,455 for living expenses during that quarter.
